Hyatt Place Boulder Confident in Our Care

Providing safe and clean environments for our guests and colleagues is always a top priority for Hyatt hotels globally. We remain committed to upholding the highest standards of cleanliness and want you to feel at ease when you visit Hyatt hotels, knowing you’ll experience the quality you expect from the Hyatt brand.

Hyatt has proudly announced the Global Care & Cleanliness Commitment, which focuses on the safety and wellbeing of colleagues and guests in a COVID-19 world and beyond. The commitment includes plans for hotel-level health and sanitization accreditation and hygiene specialists, as well as a working group of trusted medical and industry advisors. Global Care & Cleanliness Commitment (below) to learn more about the steps Hyatt is taking to further enhance our existing rigorous protocols.

In addition, comprehensive COVID-19 guidance is in place at Hyatt hotels globally, detailing how to protect against transmission of the virus (including implementing hand sanitizer stations and frequent cleaning of high-touch areas), and procedures in case there is a suspected or confirmed case among our guests or colleagues.

We believe in responsible and safe travel while staying vigilant and following procedures and protocols developed in consideration of guidance and information shared by the World Health Organization (WHO), Centers for Disease Control and Prevention (CDC), and other leading organizations and experts.

Hyatt hotels continue to welcome business and leisure travelers with our established operational excellence and commitment to care.

Global Care & Cleanliness Commitment, Hyatt remains committed to providing safe and clean environments and to upholding the highest standards of cleanliness at all hotels globally.

Guided by Hyatt’s purpose of care and experience delivering world-class hospitality for more than 60 years, our Global Care & Cleanliness Commitment further enhances existing operational guidance and resources around colleague and guest safety and peace of mind. This multilayered commitment will build on Hyatt’s existing rigorous protocols and include an accreditation process by the Global Biorisk Advisory Council (GBAC) at all Hyatt hotels around the world, colleague training and support resources, and a cross-functional working group of medical experts and industry professionals that will contribute to various aspects of the hotel experience.

Global Cleanliness Accreditation

In May 2020, Hyatt plans to introduce a GBAC STAR™ accreditation through a performance-based cleaning, disinfection and infectious disease prevention program that will focus on establishing hotel environments that are sanitary, safe and healthy. The GBAC STAR™ accreditation will include detailed training at more than 900 Hyatt hotels worldwide, and Hyatt intends to complement this with regular internal and third-party auditing.
GBAC is a division of ISSA, the worldwide cleaning industry association, and is composed of leaders in the area of microbial-pathogenic threat analysis and mitigation, designed specifically to deal with biological threats and real-time crises like the COVID-19 pandemic.

**Hotel-Level Sanitization Specialists**

The wellbeing of colleagues is at the heart of Hyatt’s business and core to advancing care for guests and customers. In response to COVID-19, Hyatt is continuing to develop new work procedures and mandatory trainings in an effort to ensure safety for colleagues and guests.

As part of Hyatt’s **Global Care & Cleanliness Commitment**, by September 2020, every Hyatt hotel will have at least one person on property trained as Hygiene Manager, who will be responsible for their hotel adhering to new operational guidance and protocols, some of which may include:

- Colleague certification, trainings and recertification process for hygiene and cleanliness
- Increased frequency of cleaning with hospital-grade disinfectants on all high-touch surfaces and areas such as lobbies, guestrooms, restaurants, meeting and event spaces, recreational areas, public restrooms, fitness centers, elevator buttons, all employee areas, and more
- Implementation of enhanced food safety and hygiene protocols for restaurants, room service, and group meetings and events
- Prominently placed hand sanitizer stations throughout hotel public and employee areas and entrances
- Exploring purification and sanitization device installation in an effort to ensure air quality
- Protective masks and other equipment worn by hotel colleagues
- Social distancing guidance in public areas across hotel properties
- Evolving new policies in consideration of guidance and information shared by various health organizations such as the World Health Organization (WHO), Centers for Disease Control and Prevention (CDC), local authorities, and other leading organizations and experts

**Cross-Functional Panel of Industry Experts and Professionals**

At the onset of the COVID-19 crisis, Hyatt assembled a global cross-functional response team and engaged infectious diseases and occupational health experts to support efforts with COVID-19 research findings and information, which enabled Hyatt to promptly update detailed guidance to hotels and address specific needs and situations.

Hyatt continues to engage additional medical experts and leading industry professionals as part of its commitment. The goal of the working group will be to provide counsel on key areas of Hyatt’s business, challenging Hyatt to act even more holistically in this new environment. Topic areas include:

- Health & Hygiene
- Colleague Safety
- Food & Beverage Safety
- Travel Journey
- Space Design
- Contactless Technology
- Wellbeing
Hyatt’s **Global Care & Cleanliness Commitment** is an important expression of our purpose to care for people so they can be their best—now and in the future. We want every Hyatt guest and colleague to feel confident that each aspect of our commitment is designed with safety and wellbeing in mind.
